Profile Picture

Adding a profile picture is very important as it not only adds a human touch to your profile, it helps you stand out in the crowd.

About Me

Give our Pros a little more information about yourself to generate interest in you as a potentially good fit for their needs.

Your Work Examples

Show our Pros what you can do... adding pictures of a light fixture you installed in your house, a ceiling fan you hung, or even drywall repair and paint. No matter how big or small the project is, include it as it shows competency and demonstrable experience.

Resume Upload

Having your resume ready is an important artifact to have for any opportunity. Make sure to upload yours so that our Pros can easily review.

Work Experience

This is your opportunity to highlight past or current working environments, responsibilities you owned, and general skillsets you have acquired.
