

**PATH TO PRO**

# BUILDING THE NEXT GENERATION OF SKILLED TRADES PROFESSIONALS

## Path to Pro Skills Explorers Program

Skills Explorers is a free, facilitator-led career exploration program that uses hands-on activities and interactive learning to introduce youth ages 11-17 to skilled trades careers through topics such as:

Painting

Gardening

Electricity

Plumbing

Woodwork

## Path to Pro Skills Program

The Skills Program is a free virtual training program for anyone age 16 or older, offering introductory construction and career education, including:

Construction  
Fundamentals

Jobsite  
Safety

Navigating  
Tools

Construction  
Materials

Communication  
Skills

## Path to Pro Network

- Build a free professional profile to showcase your trade skills, certifications, experience, and project portfolio
- Connect with Home Depot Pro customers for trade jobs and project opportunities nationwide
- Grow your career in the skilled trades through increased visibility and networking opportunities (must be 18+ to join)
